

ou don't remember your first birthday, do you? How about the day you got your first tooth, or the first time you rolled over by yourself, or sat without someone holding you? Although these events may have been long forgotten, you might remember some other "firsts" that were momentous occasions in your life. How about your first day of school? your first airplane ride? your first bike? Perhaps your mom kept a baby book for you in which she wrote down these special milestones.

Maybe a photo album at your house shows a pictorial record of events in your life, as seen through the eye of a camera.

During the past few weeks we've been studying some firsts recorded in the Bible. These were important events, so let's check and see how well we remember.

A VERSE

IT'S BEEN FUN LEARNING ABOUT BIBLE FIRSTS!

Choose your favorite verse from this unit and study it again this week.

WHAT'S THE WORD?

To the left is a word puzzle in the shape of squares. All the words have been used somewhere in the lessons this quarter. To solve the puzzle, try to find where each eight-letter word begins, and fill in the empty box with the correct missing letter. Write each word on the lines provided. (Hint: The words go clockwise.)

READ THAT BOOK!

The text given in each lesson was from the Bible. To the right is a little test to see how well you can find things in your Bible. Use it to find the correct spelling for each Bible book described. Put the numbered letters in the corresponding spaces below. Try each day to do what it says!
