

Review Maze

To review what you have learned about Heaven and Hell, work through this maze. Begin at START. Do each task in the order it appears on the path. Color each space as you finish the task. Continue working your way along the path until you reach the picture of Heaven.

The maze consists of a central path leading from a 'START' box to a picture of Heaven. The tasks along the path are:

- Tell what you are looking forward to seeing most in Heaven.
- Make a list of five things found in Heaven.
