

# Quarter Review

**TEXT:** Review Quarter Texts

**KEY VERSE:** Student's choice from this quarter

1. Make a list of what God created on each of the six days and explain briefly how the progression of the successive creative acts were perfectly arranged.

2. In what way is man unique from all God's other creations?

3. Temptation is common to man, but God has given a promise to those who serve Him. What is that promise? See 1 Corinthians 10:13.

4. What lesson can we learn from the example of Noah and his family regarding God's judgment?

5. The builders of Babel failed when they disobeyed God and attempted to create their own security, and make a name for themselves. According to 1 Corinthians 3:9-15, who is the Christian's co-laborer in building a spiritual house?

**6.** Abram had an intimate relationship with God. Because of his noble character and faith in God, James 2:23 tells us he was called which one of the following: a) helper, b) friend, c) brother, or d) father of God? How might a Christian in today's crowded environment cultivate this same relationship?

**7.** Briefly describe the manner in which God called Moses. Then list the similarities and differences between Moses' call and the call of God to individuals today.

**8.** The first written Law of God is known as the Ten Commandments. God gave them so that man might live in harmony with Him and with each other. What bearing do they have upon a Christian's life today?

**9.** Sinful man needs an intercessor in order to come to God. What steps did Jesus take to become our High Priest? See Hebrews 2:17.

**10.** Most people, unlike Saul, desire to be promoted in the eyes of those around them. Describe the prerequisites for spiritual success and explain where promotion comes from. Use 1 Peter 5:5-6 for a reference as well as the text for this lesson.

**11.** God ordained that the children of Levi were to use the tithes for their own sustenance. What are our tithes and offerings used for in the church today? Does God's blessing given in Malachi 3:10 still apply to us today?
